What is ProQuest E-Book Central

- It is an eBook database accessible through LSU Wifi or Remotex
- It covers all disciplines or subjects
- It is an online library where one can borrow or download books for later use without internet
- Due to copyright issues, some books can not be downloaded permanently; instead, these can be borrowed and made available through Adobe Digital Editions
- To fully utilise the platform, one has to create an account with eBook Central

To start with, and create ProQuest eBook Central account and log in

The screenshot shows the ProQuest Ebook Central website. The top navigation bar is dark blue with white text and icons for Search, Bookshelf, Profile, Language, and Sign In. A red callout box with white text "Create ProQuest Account" has a yellow arrow pointing to the "Sign In" link. Below the navigation bar is a banner with the text "Authoritative ebooks at your fingertips." and a search bar. Below the search bar are links for "Advanced Search" and "Browse Subjects". The main content area features three columns: "Lupane State University" with a description of their selection of ProQuest Ebook Central, "Commitment to accessibility" with a description of their 100% Gold rating from ASPIRE, and "Trusted content." with a description of the breadth and depth of ebooks from scholarly sources.

Description

The science of animal nutrition has made significant advances in the past century. In looking back at the discoveries of the 20th century, we can appreciate the tremendous impact that animal nutrition has had on our lives. From the *discovery of vitamins* and the *swinging shift in the use of rations to enhance* *Show more*

Things to take note of:

- Some books may not automatically download
- They require you to download Adobe Digital Editions application
- This application allows you to download ProQuest eBooks and read them offline
- Once you have downloaded ADE, it will appear on your desktop, and books can be read through the application
- Remember to select borrowing dates
- Once it reaches the expiry date, the book will no longer open on ADE desktop
- If using an Android phone or other types, select the appropriate application to download ebooks

The screenshot shows the ProQuest Ebook Central website. A modal window is open in the center, titled "You will need Adobe Digital Editions". The modal contains the following text:

You will need Adobe Digital Editions

Adobe Digital Editions is required to download books. This free software is different from Adobe Reader.

A free Adobe ID is also required to transfer the book to another device. It is not required to read books on this computer.

Below the text, there are three buttons:

- A blue button labeled "Get Adobe Digital Editions".
- A red button labeled "Click to install ADE" with a blue line pointing to the "Get Adobe Digital Editions" button.
- A blue button labeled "Done with this step >" on the right.

At the bottom left of the modal, there is a link "< Go back".

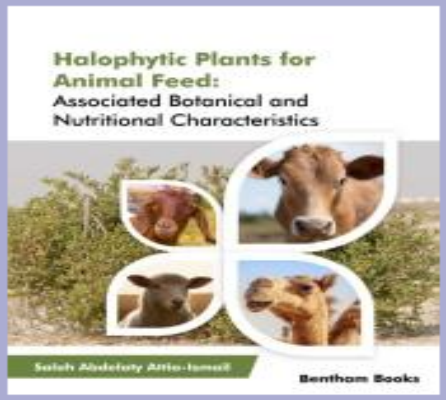

The background of the website shows the ProQuest Ebook Central logo, a search bar, and a list of books. The bottom of the page shows a "Download Book" button and a progress bar indicating "101 pages remaining for copy (of 101)".
